ACCIDENT ASSISTANCE

Full Accident Management Service

Claimline 0345 055 0279

Should you be involved in any accident or need to report any incident, including theft or damage to your vehicle, one call to Todd Price Assist and we will help you with all aspects of your claim.

We will arrange to report the incident to your insurance company and where necessary liaise with all parties involved including third party insurance companies, engineers, repairers etc.

If the incident was not your fault we can, subject to assessment, arrange for repairs to be authorised with your chosen repairer and also arrange for a replacement like-for-like vehicle. The vehicle will be delivered and collected from your home address. If repairs are authorised and arranged by us you will have no excess to pay.

In the event of a non-fault accident, Todd Price Assist will appoint a qualified specialist solicitor to pursue any injuries suffered by you and your passengers. The solicitor appointed will be fully committed to settling your claim on the best terms possible.

Replacement Vehicle Service

Our network of replacement vehicle suppliers have access to over 35,000 vehicles across the UK. Vehicles include private cars, commercial vehicles, taxis and motorcycles and can be delivered to your home address or collected from one of over 300 local depots nationwide.

Vehicle Repair Service

If repairs to your vehicle (subject to assessment) are authorised by On Hire Limited, you will not be required to pay any excess to the repairer upon completion of the repairs.

Litigation Service

Should legal proceedings be deemed necessary to achieve the appropriate settlement, Todd Price Assist will instruct a suitably qualified solicitor to deal with this on your behalf.
